My commission expires at the pleasure of the
Lieutenant Governor of the
Province of AlbertaTRANSFER OF PATENT APPLICATION AGREEMENT

WHEREAS the Co-Inventors have filed a patent application with the Corporation requesting a grant of patent for the invention entitled "Method and Apparatus for Hydrogen Sulphide Removal", as shown on attached Schedule "A" and intends to develop other processes and apparatus dealing with sulphur dioxide, ammonia, odoriferous removal of sulphurs, mercaptans and aromatics removals being worked on and includes potential patents (herein collectively referred to as the "Patent") with the rights to file applications in other jurisdictions around the world, and the Corporation wishes to acquire the rights to the Patent and any derivative rights, the parties have agreed to terms and conditions as set out herein;

WITNESSETH that in consideration of the mutual covenants and conditions contained herein, which the parties acknowledge to be good and valuable consideration, the parties agree as follows:

1. The Co-Inventors hereby transfer to the Corporation all of their interest and rights, subject to the terms hereof, in the Patent shown as Schedule "A" together with any Patent improvements and modifications, which are also subject to the terms hereof (herein referred to as "Co-Inventors Patent Rights").

2. The Corporation covenants that it will retain the Co-Inventors Patent Rights and vigorously defend the Patent and any and all Patent improvements or modifications in all jurisdictions where the Patent has been registered and has an enforceable right to restrict others from using same. The Corporation shall, with the cooperation of the Co-Inventors, but to the cost of the Corporation, register the Patent and all Patent improvements in United States and other jurisdictions where the Corporation or any of its affiliates carry on or plan to carry on business.
3. The Corporation shall pay to the Co-Inventors a six (6%) percent gross overriding royalty on a quarterly basis on the gross rents, sale and licence of the reactors or other apparatus utilizing the subject matter of the Co-Inventors Patent Rights or any improvements or any portion thereof. The six (6%) percent gross overriding royalty shall commence on all rentals, sales or licences made by the Corporation effective October 1st, 2000 by way of equal cheques made payable to each of the Co-Inventors at the address provided by the Co-Inventor to the Corporation from time to time. Payments shall be made on the 30th day of the second month following the quarter, beginning on the 28th day of February for the quarter October through December, on the 30th day of May for the quarter January through March, on the 30th day of August for the quarter April through June, and the 30th day of November for the quarter July through September for the duration of this contract with such payments being made without deduction or set off for so long as the Corporation shall retain the Co-Inventors Patent Rights or receive benefit therefrom.
4. The Corporation shall use its best efforts to promote the business around the Co-Inventors Patent Rights together with any and all Patent improvements or modifications and shall aggressively market and service their business surrounding the Co-Inventors Patent Rights.
5. If for any reason, the Corporation shall cease to aggressively market and manufacture the Co-Inventors Patent Rights to the reactors, or cease to rent, sell or licence the Co-Inventors Patent Rights, the Corporation shall immediately inform the investors of such decision and shall transfer the Co-Inventors Patent Rights back to the Co-Inventors for the sum of One (\$1.00) Dollar together with assignment of all rents, sales or licences relating to the Co-Inventors Patent Rights for a further sum of One (\$1.00) Dollar. Provided however that this obligation to transfer back to the Co-Inventors the Co-Inventors Patent Rights shall automatically cease and determine should the Co-Inventors Patent Rights be sold by the Corporation to an arm's-length third party at fair market value provided further that any transferee shall be bound by the overriding royalty payments to the Co-Inventors as provided herein.
6. Any decisions made by the Co-Inventors shall be made unanimously and no Co-Inventor has the right or authority to sign on behalf of any other Co-Inventor. Should differences arise relating to the interpretation or any matter surrounding this agreement, it shall be settled by arbitration pursuant to the terms of the *Arbitration Act* of Alberta.

7. The Corporation acknowledges that the Co-Inventors have a Co-Inventors Agreement which requires disclosure of marketing and sales information relating to the Co-Inventor Patent Rights to the other Co-Inventors by any member of the Co-Inventors who may from time to time sit on the board of directors of the Corporation. The Corporation agrees that it shall use its best efforts to ensure that at least one of the Co-Inventors is at all times on the board of directors of the Corporation.
8. This Agreement shall be binding upon the respective heirs, successors and assigns of the parties hereto.

IN WITNESS WHEREOF the parties hereto have executed these presents in the case of the Corporation by its duly authorized officers in that behalf, and by the Co-Inventors under their personal seals effective the day and year first above written.
